

AMERICAN SOCIETY OF SAFETY PROFESSIONALS

Northeastern Illinois Chapter

SPONSORSHIP PROGRAM/ APPLICATION

The NEIL (Northeastern Illinois) Chapter of the American Society of Safety Professionals offers a sponsorship program to help your company reach the safety, health and environmental (SH&E) professionals in the Chicagoland area. With more than 300 members in the Chapter we offer sponsors a way to directly target the people that buy products and services in this area. Your support in sponsoring the Chapter's activities also assists us in developing our Chapter and our members in the safety and health field.

What's in it for our sponsors?

- Exposure to SH&E professionals in our area and their companies
- Demonstrated support of the development of the SH&E profession
- Align your organization with a specific topic or safety event
- Increased level of professional contacts

The Details

The NEIL Chapter members generally meet on the third Friday of the month during lunch at Maggiano's in Schaumburg. To participate in the sponsorship program, the Sponsorship Application must be completed and returned along with payment. The NEIL Sponsorship Chair will work with your company to lock in a meeting for sponsorship. Also, see our schedule of events to see which meeting dates work for you. Do note that we only have 7 technical presentation meetings a year.
